Principal's Ponderings...

MAP testing is just around the corner!

We are into our final quarter of the school year, and what a great month we have ahead! As we prepare for MAP testing, please send in snacks for the grade level to help keep our students energized during testing. Be watching for more information coming home about MAP testing and when your student in grades 3-5 will be testing. It is very important to make sure your child is in attendance during testing. We have our kindergarten screenings on April 4. We look forward to meeting many new faces that will be joining us for the upcoming school year. Contact the school office at 248-3800 to schedule a screening time.

~Mrs. Cheri Huster

PTSA News...

The VIP Breakfast hosted by PTSA is set for April 14, at 7:30 am in the Daly/Clark cafeteria. We encourage students to bring one (1) VIP with them to share breakfast with them. Please send the RSVP back by Friday, April 8th. Please fill out one form per family.

Our next meeting is Monday, April 4th, at 6:00pm in the Daly/Clark library. Come join us!!

BOOK FAIR TIME! The buy one get one free book fair is April 25th-29th. The Open House is Monday, April 25th, from 2-6 P.M. It will be open the rest of the week during regular school hours in the library. To set up e-wallets, go to <https://www.scholastic.com/bf/fayettefalcons>

Office News...

*If your student brings lunch and wants a milk, the cost is \$.75 per milk, otherwise students receive a milk with their meal. Please send money for your student's account.

*Reminder: please get a doctor's note when your student has an appt. during the school day! Also, if your student is going to be absent for the day, please call the office at 248-3800 to verify for attendance purposes.

*Please call the office by 2:45pm if you need to change your student's end of day plans or get them a message.

Counselor's Corner...

It's so hard to believe that spring is here along with 4th quarter! We finished our Junior Achievement lessons and now we are working on self-esteem and celebrating our differences!

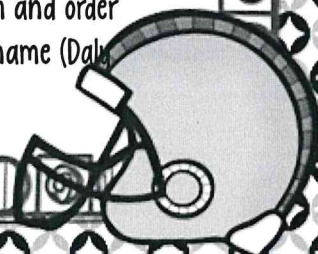

We will be celebrating another Falcon Head party the first of April! We are also gearing up for the MAP test for 3rd, 4th and 5th grade students. Stay tuned for more details regarding that.

If you have any questions or concerns feel free to call or email me at cspaeder@fayetteschool.org.

~Mrs. Cassidy Spaeder

The deadline to order yearbooks is April 15th! Scan the QR code or go to shop.yearbookmarket.com and order online. Enter the school name (Daly or Clark) to order!

Nurse News...

April is Autism Awareness Month

Wear Blue and Celebrate World Autism Awareness Day on Saturday, April 2, 2022!!!

Autism, or autism spectrum disorder (ASD), refers to a broad range of conditions characterized by challenges with social skills, repetitive behaviors, speech and nonverbal communication.

In 2021, the CDC reported that approximately 1 in 44 children in the U.S. is diagnosed with an autism spectrum disorder (ASD), according to 2018 data.

1 in 27 boys identified with autism

1 in 116 girls identified with autism

Boys are four times more likely to be diagnosed with autism than girls.

Most children are still being diagnosed after age 4, though autism can be reliably diagnosed as early as age 2. Autism affects all ethnic and socioeconomic groups.

Minority groups tend to be diagnosed later and less often. Early intervention affords the best opportunity to support healthy development and deliver benefits across the lifespan through improved learning, communication and social skills, as well as underlying brain develop
