Conf. 1:30-7pm

Principal's Ponderings...

Welcome back to another great year at Daly Elementary!

We have been working hard to learn our expectations of being respectful, responsible and safe.

Our PTSA fundraiser was a great success and we are so thankful for all the participation. We also held the first Falcon Fest and got to celebrate our Respect award winners. THANK YOU to Commercial Trust, our Partner in Education, for purchasing our Falcon Fest t-shirts for the students of the month!

All of our superstar students are working hard in academics and we can't wait to show share their progress at Parent/Teacher Conferences in November.

~Mrs. Cheri Huster

PTSA News...

Thank you to everyone who participated in our fall fundraiser with Cherrydale. You knocked it out of the park! We appreciate your support of the school and we look forward to being able to fund things for our students.

PTSA had our first meeting of the year and we have a lot of activities planned for this school year! If you couldn't make it, our next meeting will be Monday, November 8, in the library. It's never too late to join PTSA for the year!

Thank you for your patience with all of the road work that has been going on around the school. We know this is an inconvenience and hopefully it will be completed soon!

Office News...

*Meals are free for all students again this year with the exception of extra milk. If your student brings a lunch and wants a milk, the cost is \$.75 per milk, otherwise students receive a milk with their meal.

*Reminder: please get a doctor's note when your student has an appt. during the school day! Also, if your student is going to be absent for the day, please call the office at 248-3800 to verify for attendance purposes.

*Please call the office by 2:45pm if you need to change your student's end of day plans or get them a message.

Counselor's Corner...

Wow!! What a great start to our 2021-22 school year!! We started off the year with a focus on teaching our school-wide behavior expectations to all of our students. We have done a lot of modeling and practicing the routines and procedures. Our students are able to earn a "Falcon Head" for our 100's chart if they are spotted in the school exhibiting good behavior. When we fill up the chart we will celebrate with a school-wide Falcon Head Party!!!

In guidance counseling our focus is on feelings and how to get along with others. During this unit we will talk about how to express different feelings and handle our problems in a positive manner.

If you have any questions or concerns feel free to call or email me at cspaeder@fayetteschool.org.

~Mrs. Cassidy Spaeder

Nurse News...

Cool Weather Health Activities

Regular physical activity is good for people of all ages because it can help:

**Reduce Stress

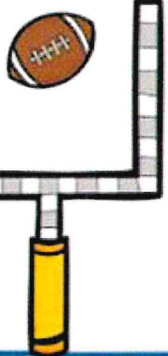

**Improve Sleep

**Lower Blood Pressure

** Reduce illness and disease

** Increase academic performance

**Boost Mental Health

Some cool weather activities you might want to try include:

Rake leaves and jump in a pile!

Help neighbors/family by raking leaves or shoveling snow

Take walks and collect different fall leaves

Have a holiday parade with neighbors and friends

Go apple picking, do a corn maze, or pick pumpkins from a patch

Have a snowman building challenge

Go sledding or ice skating.

****Thanks to Kohl's Healthy at Home for this fun and valuable information.****
